

ARIEL FOUR

ONLY 4 CYLINDER MOTORCYCLE IN THE U.S.A.!

This big motorcycle with its mighty 61 cubic inch overhead valve engine handles like a lightweight—goes like a bomb! In a road test report *CYCLE Magazine* says: "Incredible!—the standard Ariel Four in full road trim repeatedly ran the 1/4 mile drag in 12.9 seconds!"

—Treat yourself to a new sensation in motorcycling—ride the Ariel Four!

FEATURES

Enamelled in lustrous Black or bright Cherokee Red, the Ariel Four has large 5 gallon tank with chrome panels and gold striping, chrome plated handlebars, wheel rims and mufflers with many other parts in heavy chrome plate. It's a distinctive motorcycle with four separate chrome plated exhaust pipes and many highly polished alloy engine and gear box components. You'll be proud of this unusually attractive sports type motorcycle.
